Catholic Parish School, Capalaba

Vision Statement

St Luke's is a welcoming and inclusive community on a journey of faith. We are committed to providing quality teaching and learning opportunities that achieve individual excellence and foster Christian character.

Mission Statement

St Luke's is a Christian community whose motto *'Christ in our Living'* is deeply embedded in the daily life of our school.

We strive to encourage and instil a sense of compassion, justice and service towards others.

We have caring and dedicated staff who engage individual learners to achieve quality educational outcomes.

We provide a caring and supportive environment offering opportunities that challenge and inspire all members of our school community to reach their full potential.

Values

At St Luke's we value:

- our Catholic faith through our prayers and actions
- the Emmaus story as a significant part of our community of faith
- contemporary, relevant and diverse learning in a nurturing environment
- collaborative and positive relationships between parents, students, the school and the wider community
- a strong commitment to social justice
- social equality through respect for others
- the uniqueness of our physical environment.

PRINCIPAL'S WELCOME

St Luke's Catholic Parish School caters for children from Prep through to Year 6. In partnership with our families, our Parish, the Catholic Education Centre and wider community, St Luke's offers a curriculum which supports the growth and development of the whole child: socially, emotionally, spiritually, intellectually and physically.

Our staff respects the uniqueness and dignity of each child and base teaching/learning programs on sound educational theory and practise. Set amid pockets of natural bushland and native gardens, our modern buildings and facilities offer an attractive and welcoming learning environment for children P-6.

St Luke's provides the perfect blend of the small school community with the resourcing of a large school. The welcoming environment ensures that all students feel safe and happy, leading to a joyful education.

Denita Castley

Principal

OUR STORY

St Luke's Catholic Parish School caters for children from Prep through to Year 6. In partnership with our families, our Parish, Brisbane Catholic Education and wider community, St Luke's offers a curriculum which supports the growth and development of the whole child: socially, emotionally, spiritually, intellectually, physically. Our staff respects the uniqueness and dignity of each child and bases teaching/learning programs on sound educational theory and practice. Set amid pockets of natural bushland and native gardens our modern buildings and facilities offer an attractive and welcoming learning environment for children P-6.

Foundation

St Luke's Catholic Parish School was developed under the leadership of Father Gerry Kalinowski (Parish Priest) with the support of the catholic community of our local parish and the Catholic Education Centre. The Presentation Order was invited to administer the school during its formation years. Sister Lynn Albury was appointed as foundation Principal in 1988 and planning for the school commenced. St Luke's opened in 1989 with an initial intake of students from Preschool through to Year 3. During the years that followed, our distinctive catholic ethos evolved alongside a rich community spirit.

Faith Life

At St Luke's Catholic Parish School we believe that our gift of faith calls each of us (staff, students and their families) on a journey of search, discovery and celebration of 'CHRIST IN OUR LIVING'. The Religious Life of the School, including prayer and liturgical celebrations, complements the formal Religious Education curriculum taught here at St Luke's. These integrate with the Sacramental life of our local Parish to sustain and nurture a distinctively Catholic religious atmosphere. This, in turn, supports the spiritual growth of students and the school community as a whole.

Curriculum

The personal and professional qualities of the dedicated staff of St Luke's Catholic Parish School interact with our formal curriculum to support children in developing knowledge, skills, processes and attitudes which will guide them towards a growing Christian sense of social responsibility and towards independence as learners. Literacy and Numeracy is a strong focus at St Luke's where students' learning is enhanced by a wide variety of programs and learning resources. Students are offered a wide range of physical activities including physical education lessons, excursions and camps which are integral to learning. Opportunities are provided for students to learn Japanese, weekly art lessons, weekly music programs and choir, adding an aesthetic dimension to their learning experiences.

Community

Parental involvement is an essential aspect of school life at St Luke's. Our Parents and Friends Association plays a vital role in nurturing our sense of community, in supporting the maintenance and improvement of the learning environment for students, and, in addressing and responding to broader educational issues. Our School Board is made up of staff and parent representatives who meet on a regular basis to advise the Principal in relation to broad school issues. At St Luke's Catholic Parish School, we value open dialogue with our parents' and we strive to develop and maintain healthy relationships among and between staff, students and their families. Community life at St Luke's is strongly linked to the community life of our Parish.

ABSENCE FROM SCHOOL – LATE ARRIVALS & EARLY DEPARTURES

Whenever a child is **absent** for any reason parents are requested to inform the school **before 8am on the morning** of the first day of absence. Parents can leave a message on the school answering machine or submit an absentee notification via the Parent Portal and BCE Connect App. Each day an SMS will be sent to parents of students with any unexplained absence.

Late Arrivals/Early Departures must be signed out by an adult in the Student Sign In / Out laptop in the office.

ASSEMBLIES

Parents are welcome to attend our assemblies / prayer reflections.

Prayer Reflections are held regularly on **Thursday** afternoons at 2.00pm in the Emmaus Centre and follow the format below:

- Prayer
- Information sharing
- School song

A different class is rostered on to plan and celebrate prayer. This prayer might reflect the work being covered in class, a special liturgical event of the calendar year or a specific focus.

School Assemblies are held most **Monday** afternoons at 2.00pm in the Emmaus Centre and follow the format below:

- Student Awards from each class.
- Birthdays
- Information sharing
- Invited guest speakers (on occasions)

BEFORE & AFTER SCHOOL PROCEDURES

Before School

- **Before School Care is provided from 6.30am at the OSHC building on site.**
- Children should not arrive at school before 8.10am, as there is no supervision provided prior to this time.
- On arrival at school all students must go to the Senior or Junior lunch shed with their school bag and wait there until supervision commences at 8.10am.
- **No games are played until supervision commences.** No running games or ball games except handball are permitted.
- Students arriving on bikes are to observe signs and walk their bikes to the bike rack area beside the Resource Centre and move immediately to the Senior or Junior lunch shed. **All bikes should be locked to the bike rack.**

- No child is to wait outside the Administration Block or on any verandahs
- **No School Hat – No play.** Children without school hats at break times remain in the lunch shed.
- **Play ceases immediately when the bell rings at 8.20am** and students move to the classroom.
- **Children need to be in classrooms ready to commence by 8.25am.**

After School

- After children have been dismissed at 2:55pm, they are to move immediately to the waiting area near the administration block where supervised.
- **After School Care is provided until 6.00pm at the OSHC building on site.**
- All children waiting to be collected by parents are to sit on the seats in the waiting area.
- Two teachers control flow of traffic, communicate (using megaphone) to students which cars are ready for passengers, and direct children into cars. The Pick-up Zone is a strictly no parking area.
- Children riding bikes home must walk their bikes to the boundary of the school and follow normal bike safety rules as they continue to go straight home. **Helmets must be worn at all times.**
- No child is to cross the road or driveway without parental / adult supervision at any time.
- No child is to wait on the Degen Road footpath.
- No games are to be played.
- After school care children must go immediately to the OSHC Building and notify the Supervisor that they have arrived.

BEHAVIOUR MANAGEMENT

It is our hope that **All** at St Luke's School will be part of the process of teaching acceptable behaviour to our students. Our learning environment will be characterised by LUKES – (see *matrix below*)

- ✓ **Love learning**
- ✓ **Use respect**
- ✓ **Keep safe**
- ✓ **Engage responsibly**
- ✓ **Stay safe**

A Brisbane Catholic Education School

We believe that behaviour must be taught explicitly and in context. The behavioural expectations that are clearly detailed on the matrix have been developed by the staff of St Luke's and are reviewed regularly. They are an important element of the Positive Behaviour 4 Learning here at St Luke's.

Consequences for displaying appropriate behaviours include:

- Affirmation and recognition by class teacher and / or other staff
- Rewards negotiated by class teacher and children.
- Awards at weekly assemblies etc.

Children not complying with expectations either in the classroom or on the playground are spoken to by their classroom teacher or the teacher on playground duty. At the discretion of the supervising teacher the child may be sent to the office. The teacher must follow the PB4L approach (Positive Behaviour 4 Learning), highlighting the school expectations matrix.

Consequences for displaying inappropriate behaviours include:

- Warnings and reminders
- Time out from classroom or playground
- Discussions about and reflection on choices
- Mediation with peers or adults
- Gradual isolation
- Internal suspension
- External suspension
- Expulsion in extreme cases

Parents will be informed if inappropriate behaviour is of a serious nature. We will implement a process of mediation and conflict resolution where deemed necessary. There will be definite consequences for inappropriate class behaviour and playground.

CLASS MASSES

Classes are rostered at certain times of the year to participate in the Celebration of the Eucharist, held in the Church on Friday at 9.00am. Parents are welcome at these celebrations. In addition, year levels participate in Saturday evening Mass throughout the year.

COMMUNICATION WITH TEACHERS

Appointments

Please phone to make an appointment to see the Principal or members of staff so that a time mutually convenient may be arranged. This allows teachers to prepare information to make the meeting with you as fruitful as possible.

Unscheduled visits to Teachers

This is not the most efficient practice to use in matters where some detailed discussion is needed about a child's work or behaviour. Please ensure that you make appointments with teachers, giving your reasons where possible, in these important cases. If the matter is highly confidential, you may wish to send a note or email advising the teacher of the subject.

Telephoning teachers

Parents should avoid telephoning class teachers during school hours unless the matter is urgent. Messages may be left at the office as necessary. This policy is necessary to minimise distraction to class routines.

Communication is important and needs to be two-way. Please email or make a time to meet with the teacher whenever you have a question or concern and the teachers will be in contact with parents as we have a 'no surprises' policy.

EXCURSIONS / CAMPS

Educational excursions (Prep -Yr 6) and camps (Yr 5 camp -Yr 6 Canberra Trip) will be conducted as required. As these are official school functions, consent forms giving all details of the trip are sent home. Teachers are in attendance and carry out supervision. No child may attend without **consent** from parents. Costs of such trips are included in the school fees/levies.

FIRST AID

Accidents are unavoidable where children play, but through supervised and properly planned activities these are kept to a minimum. When accidents do occur, action is taken by the school depending on the degree of injury. Minor cuts and abrasions are given first aid treatment. For more serious injuries, parents will be contacted as soon as possible and prior to any action being taken. However, sometimes the nature of the injury is such that immediate action must be taken and in such cases, the ambulance would be called with parents being contacted as soon as possible.

Administration of Medication

School staff members will not normally administer medications to children. If a child requires medication while at school the following procedures are to be followed.

1. Parent/Guardian to fill in a "Request to administer medication" form.

The request includes:

- Child's name and class
- Medication
- Time/s for administration
- Name of Doctor who wrote prescription.
- Probable period of treatment

(Request forms available at school office and on website.)

2. Medication, in original container with dispensing agent's instructions attached, to be delivered to school office.
3. Delegated school staff member will administer medication and complete school records as required.

Children are not to bring medications to school unless the above procedure is followed.

This procedure does not apply for Asthma reliever medication which children should to carry for self-administration.

Children will not be administered analgesic medications by school staff under normal circumstances.

Immunisation

It is suggested that parents ensure that children are protected by immunisation before commencing school. If in doubt, see your doctor.

Contagious Diseases

Where children contract one of the contagious diseases, there are specific lengths of time of compulsory absence. This is, of course, to protect the other children as well as providing adequate time for the child to recover.

Queensland Health have the following guidelines regarding Time Out on infectious diseases.

https://www.health.qld.gov.au/_data/assets/pdf_file/0022/426820/timeout_poster.pdf

GRIEVANCE POLICY AND PROCEDURES

BCE and St Luke's is committed to effective complaints management by managing student, parent and guardian complaints in an accountable, transparent, timely and fair manner, while protecting the health and safety of BCE employees through proactive management of unreasonable complainant conduct. Information on the policy and procedures can be found at the link below.

<https://mybcecatholicedu.sharepoint.com/policies-and-procedures/ResourceStore/Student,%20Parent%20and%20Guardian%20Complaints%20Management%20policy.pdf#search=complaints%20policy>

HATS

It is a very clear school policy that students must wear their hats whenever engaged in outside activities. The students must wear their school hat, and it must be worn properly. Students without hats during lunch times must remain in the covered area.

HOME / SCHOOL LIASION

The education of each child is a joint responsibility that is greatly enhanced by maximum co-operation of all involved. The staff at St Luke's is aware of their responsibility and endeavour to foster a meaningful and helpful liaison with the parents of each child. Therefore, parents are –

- expected to attend parent-teacher sessions to meet their child's teacher and to become familiar with class/school policy, procedures and programs.
- encouraged to make an appointment to see the teacher whenever they feel it is necessary – outside class times.
- invited and encouraged to join in celebrations of class/school liturgies, concerts, special events and sports days.
- encouraged to come along to the monthly meetings of the P & F and support organised activities.
- requested to read newsletters and other communications from the school to keep them informed of activities and policies.
- encouraged to communicate anything that may be helpful in understanding and caring for their child. They will be assured that confidential matters remain that way.
- reminded that the school exists for their children and that full support of philosophy, policy and procedures will benefit all.

HOMEWORK

Homework is given at the discretion of the class teacher with regard to the age and ability of the children.

To assist your child in homework assignments, parents may find the following of some assistance:

1. Arrange a regular time in a suitable room or area which is free from distractions, i.e. television.
2. Check details such as neatness, correctness and that an adequate effort has been made.
3. Praise for good work and encouragement for effort are more important than censure. Be positive and supportive at all times.
4. Inform the class teacher if you have any questions.

LOST PROPERTY

Please make sure that all children's personal property is clearly marked. The lost property boxes (for clothing, lunch boxes etc) are located in the student entry of the administration block. For all other items (watches, wallets etc) please check with the office.

MOBILE PHONES

Should students require the use of a mobile phone before or after school, parents are requested to write a note to the Principal and it is essential that the phone is handed into the school office upon arrival at school and remains in the office until the end of the school day.

NEWSLETTERS

Our School Newsletter is an important part of our school communication network. It is produced each **Tuesday**. The newsletter is emailed to all legal guardians and is available on our parent portal and website www.stlukescapalaba.qld.edu.au. If you wish to place a general message or a note to parents in the newsletter it must reach the school secretary (preferably by email) by midday Monday.

P&F ASSOCIATION

The P&F Executive is an elected group who meets on the third Monday of each month and its main function is to 'build the educational community of St Luke's' through various formal and informal activities. The P&F also has a very important function in supporting resourcing within the school. The P&F support various aspects of school life and assist the Principal who has final responsibility to make decisions on the school's behalf. The Parish Priest is invited to play a role in this parent group.

The Association supports the mission of St Luke's School by:

- (a) fostering a distinctive Catholic Christian environment in the school;
- (b) developing maximum co-operation between parents and school staff;
- (c) utilising those structures which are established to promote the principles of Catholic education;
- (d) providing a medium for information and participation of parents;
- (e) affiliating with the Brisbane Diocesan Council of Parents and Friends Associations of Catholic Schools;
- (f) identifying services and talents within the school community and making them available to school related spiritual, educational, social and fundraising activities.

PARENT PARTNERSHIP MEETINGS/PARENT INFORMATION NIGHTS

Parent Partnership meetings or Parent Information nights are held at the beginning of each year. These opportunities provide parents and teachers with the ability to discuss the events of the school year, the particular curriculum covered by the grade level, ways of participating in school life and assisting children as learners at home. Two-way communication is encouraged and parents can make contact with the class teacher via email or appointment at any time during the year.

PARENT INVOLVEMENT

Parents and friends are invited to participate in the school in a voluntary capacity. Examples of involvement are helping in classrooms and art room, shelving / book covering in the library, School Board and P&F Association.

SCHOOL BOARD

The School Board is an elected group of parents who assists the Principal with the strategic direction of the school and the formation of policies and procedures to help the community to fulfil its various responsibilities to students, parents, staff, BCE, Church authorities and Governments. Meetings are held each term and are not open to the public, but often guests are invited to provide input at these meetings. The Parish Priest is invited to this meeting and plays a vital role in supporting the Principal.

SCHOOL FEES

FEE COLLECTION AND PAYMENT POLICY

Issuing of Accounts

Accounts are forwarded to parents in the second week of term and are due by the end of the fourth week of term. The due date is shown on the account.

Method of Payment

Payment may be made by BPay, credit/debit card, cheque or cash (always pay in person and obtain a receipt). For your added convenience, EFTPOS and Direct Debit facilities are available and each account will include an authority to pay using either a credit or debit card.

Reminder Notices

An Account Rendered – Reminder Notice is forwarded for accounts **that are unpaid after the due date**. Should accounts continue to remain outstanding, a member of the Administration Team will make contact to discuss the outstanding fees.

Payment Difficulties

Sometimes, for very good reasons that are usually out of our control, an account cannot be paid by the due date. If you are experiencing difficulties in paying your account, please contact the School as soon as possible, preferably **before the due date**. We will then be in a position to offer some assistance such as of extending the time to pay or offering a payment by instalment option. In cases of extreme financial hardship, the School will consider granting a fee concession.

Overdue Accounts

On rare occasions people fail to pay their account, do not respond to reminder notices and do not contact the School to make alternate arrangements. In these instances the School is reluctantly forced to consider engaging the services of a professional debt collection agency.

Please be aware that additional charges will be incurred once the account has been handed to the debt collection agency for action. Once accounts have been handed to the debt collection agency, the matter effectively passes out of the School's control and all negotiations for payment must then be made with the debt collectors. Your credit rating may also be affected.

Concessions

In cases of financial hardship the School will consider offering a concession on Tuition and Building Fund Fees. Concessions applications are accepted at the commencement of each year or when the hardship within the family occurs. Concessions on fees are not ongoing and applications must be resubmitted at the commencement of the new school year. Concessions are means tested in line with Federal Government Poverty Guidelines.

SCHOOL HOURS

The school day commences at 8.25am and concludes at 2:55pm.

- Supervision commences at 8.10am each day when children are dismissed from the lunch sheds.
- All children, including those accompanied by parents, arriving before 8.10am are required to gather and be seated in the junior / senior lunch shed.

8.10	Children dismissed from junior / senior lunch shed
8.25 – 10.45	First session
10.45 – 11.25	15min – Eating 25min – Playing
11.25 – 1.25	Second session
1.25 – 1.55	10 min – Eating 20min – Playing
1.55 – 2:55	Third session

SCHOOL REPORTING

In 2006 the Federal Government introduced new requirements that ensure schools provide parents/caregivers with:

- The Queensland Curriculum Assessment Authority reports on Year 3 and Year 5 National Testing (NAPLAN).
- An opportunity to meet with the child's teacher/s at least twice a year
- A written report, twice per year, against achievement levels with clearly identified standards and a five point scale, A – E (or equivalent)
- The opportunity to access information on a child's achievement relative to the child's peer group.

St Luke's has reviewed their reporting processes and practices to ensure that they:

- Use plain language that is easily understood
- Provide a written report twice each year
- Provide opportunities for parents and teachers to meet twice per year
- Give an accurate assessment of the child's progress and achievements
- Offer to provide additional information regarding how the group of students in the same year level or subject is performing against state standards.

SCHOOL UNIFORM

The school uniform is a symbol of our school's identity. It is to be worn, without variations, at all times. Sports uniform is to be worn on days advised by class teacher.

HAIR is to be worn at appropriate length and no artificial colour i.e. shoulder length or longer to be tied back neatly with school uniform colours.

JEWELLERY is not part of the uniform. Items such as watches, earrings in the form of plain studs or sleepers and a religious necklace is acceptable.

SCHOOL BAG with school emblem is a compulsory part of our school uniform. (Two sizes P-3 & 4-6 available.)

SHOES Black sports joggers (no colour) or black school shoes.

HAT Years 1-6 compulsory formal royal blue hat with wide brim and school emblem. Sports bucket hat (reversible with house colour) with school emblem for HPE lessons, sports days and sporting activities and are compulsory for Prep (optional for Yrs 1 – 6).

WINTER EXTRAS Skivvies are not to be worn under any uniform. Optional tights are to be worn under formal dress only, not under sports shorts or skorts

Second Hand Uniforms

Available from Uniform shop - Friday 8.00am - 9.30am.

SMOKING

St Luke's School grounds are a Smoke Free environment.

SUPPORT TEACHER/S

The Support Teacher Inclusive Education (ST:IE) teacher's role is to primarily support the classroom teacher with many and varied needs of our children including:

- (i) assessment for school readiness and placement from Years P-6
- (ii) assist with diagnosis of learning difficulties
- (iii) referral to Child Support Team and external agencies and liaison with these agencies
- (iv) classroom support / planning particularly with ascertained students
- (v) writing and implementation of IEP's re verified students with classroom teacher
- (vi) liaise with parents and teachers with concerns they have within the school community

STUDENT RECORDS

When a child is enrolled at the school, certain items of information, eg. Address, telephone number, family circumstances are obtained and recorded. Should there be changes to these the school should be advised. Factors which may have an influence on a child's behaviour or attitude, should be made known to the child's teacher.

(Note – if a Court Order concerning custody of a child exists, a copy will need to be provided to the Principal and will be kept on file.) At all times school administration will strive to maintain confidentiality and privacy of information relating to families as required by Brisbane Catholic Education Policy and government legislation.

TUCKSHOP

Our Tuckshop operates on **Thursdays** and **Fridays** at first and second breaks.

Tuckshop operates by using an online ordering system - Qkr. Each child is requested to order the **day before** tuckshop and any orders that need to be cancelled must be done by 8am.

VISITORS AND VOLUNTEERS

As part of the National Safe Schools Framework it is important that all visitors visiting the school site wear badges. In the course of the day there are a number of visitors to the school site for a variety of purposes. Our evacuation procedures require that school administration are aware of the identity and location of all visitors to site to that we can be sure of their safety in event of fire or other emergency.

Duty of care for the students on our campus requires that we make every effort to identify all visitors on the site. Workplace Health and Safety regulations also require that we provide duty of care for all visitors on site.

The following procedures have been developed to ensure safety to visitors and so that any unidentified strangers can be challenged if found on school premises during school hours.

Teachers and school administration are responsible for the implementation of these procedures. As part of our Workplace Health and Safety Procedures all visitors to St Luke's are required to sign the visitors' book and to wear a **Visitors' badge** as a form of identification for staff.

Volunteers

There are some very specific expectations on schools in relation to Volunteers who work in the school. Most of these expectations are in relation to Child Protection and exist for the good of all students in our care. These expectations are set these out below. All volunteers, parents or not, must complete the volunteer code of conduct and student protection training found on the school website and link below.

<https://www.bne.catholic.edu.au/students-parents/student-protection/Pages/Student-Protection-and-Code-of-Conduct-Training-for-Volunteers-and-Other-Personnel.aspx>

All non-parent volunteers (grandparents, uncles, aunts, siblings, extended family) must undergo **employment screening** and receive a **Positive Notice Blue Card for Volunteers**. The volunteer cannot be engaged by the school until the positive Notice Blue Card is received.

Volunteers should sign in and out daily so that a record of contact with children can be maintained and to assist in accounting for visitors in cases of emergency.
