

ST LUKE'S

Catholic Parish School, Capalaba

Vision for Learning

We Value Our Learners and Our Learning

Contemporary learners learn best when

- learning is visible and collaborative
- learning is designed to engage, develop and challenge the learner
- learning nurtures confidence and creativity
- learning encourages active and informed citizenship

We Value Our Catholic Faith and Our Spiritual Journey

Contemporary learners learn best when

- Christ is in our Living
- Catholic values are nurtured and lived
- faith is central to our growth
- spirituality is embedded in daily life
- relationships are respectful

We Value Our Learning Environment

Contemporary learners learn best in an environment where

- community members feel supported, nurtured and valued
- sustainable practices promote ownership of learning, cultures and traditions
- practices and places respond to the needs of learners

We Value Community Relationships

Contemporary learners learn best when community relationships

- foster positive responsible partnerships
- welcome all and celebrate life
- promote collaboration in our school and with the wider community
